### Disclaimer

Information shown on screens for this tutorial was taken from test data developed for the hazardous waste reporting program. Device, process, and other information from existing facilities were used for illustrative purposes only. Existing facility data was used to show typical usage of screens in the program. None of the information presented in the following screens should be viewed as accurate information.

## **Hazardous Waste Submit Data**

After you meet the requirements in the completeness check, you can submit the information to DNR for processing. You can also print all of the forms you filled out during one or more of your work sessions. The forms can be downloaded as pdf files to be used as a record and can be stored on your computer. You can also print the forms directly from the page.
